

To celebrate our 150th Anniversary, the St. Louis County Historical Society is pleased to announce the publication of

A County Built on Iron
St. Louis County, Minnesota
1856-2006

This outstanding hardcover volume is an account of challenge and opportunity, boom and bust, victory and defeat. It is a chronicle of an intrepid citizenry who carved a county out of the wilderness and prepared this place we call St. Louis County. The history of the community is not only found in the words of *A County Built on Iron*, but through hundreds of photographs that capture the emotion and spirit on which St. Louis County was built. Through this remarkable collection of photographs and lively text, the unique story of St. Louis County comes alive for readers of all ages. *A County Built on Iron* will be a great family heritage piece, a wonderful gift and a treasured keepsake by all.

A County Built on Iron will be available in February 2006. Reserve your copy today at the price of only \$34.95 plus tax. St. Louis County Historical Society membership discount available. Your book may be shipped directly to you at an additional cost of \$5.00. To save on shipping and handling charges you may pick your book up at the St. Louis County Historical Society.

Don't miss your opportunity to capture history in this limited-edition book. Order your copy today!
